Supporting Regular Daily Attendance

Did you know?

- ◆ Daily attendance is important for all students. Students who attend school regularly are more engaged in learning, have a greater sense of belonging in their communities, and are more likely to graduate.

What can you do?

- ◆ Talk to your kids about the importance of attendance, starting at an early age
- ◆ Communicate regularly with the school to find ways to work together to address concerns
- ◆ Participate in school events and activities to demonstrate your support for school and education

Attendance Matters!
