

Manitoba Association of Parent Councils

~ Celebrating 100 Years of Parental Involvement in Schools throughout Manitoba ~

Stories.....

They pull us together as a community and we are hoping that you are willing to share them.

Who we are.....

Manitoba Association of Parent Councils (MAPC) is a non-profit organization dedicated to supporting, promoting, and enhancing meaningful involvement and participation of parents in order to improve the education and well being of children in Manitoba. Currently, we represent over 300 school-based parent groups throughout Manitoba.

What we are doing.....

In 2012, MAPC will be celebrating 100 years of parental involvement in Manitoba's education system. To do this, we are collecting 100 stories from parents of children attending (or who have attended) school in Manitoba - representing the history and diversity of parents throughout the province.

Maybe it's your story. Maybe it's your parents or grandparents. Every voice is valuable and unique. This is your chance to join us in celebrating the journey parents have made together in contributing to education in our province.

Including stories about

- parents who brought about change to their school communities
- parents who witnessed history being made in Manitoba schools
- parents and parent groups celebrating the successes, failures and lessons learned; joys and heartbreaks; surprising, comical and outrageous moments of working and volunteering in a school environment

How you can help

If you or someone you know has a story to share which represents parental involvement in a school community in Manitoba, you can make a difference to the success of this project.

1. Contact MAPC to register as a contributor (include your name, address, phone, and email address) before **February 29, 2012**
2. Submit your story of 250 – 500 words (typed please) about the role you - or someone you know - played in the growth of parental involvement in Manitoba schools no later than **March 31, 2012**

Remember – we're looking for it all: the good, the bad, the triumphs and the failures.
Every story submitted will be considered a piece of our history.

It's Your Story – It's Our Voice
